This Chronicle sheet grants access to the following:

**Variable Rewards:** The gold, XP, and Prestige Points you earn on this Chronicle sheet are based on your level and how many of the quests you complete. Until you play an adventure other than House of Harmonious Wisdom, you can continue to play the other quests and earn greater rewards—even across multiple sessions. Check off the appropriate quests played and influence boxes below. Before beginning a different adventure, calculate your rewards for this Chronicle sheet based on the table below. PCs that have selected the slow advancement track receive half of the gold, XP, and Prestige Point rewards.

**Impressive Find:** The Pathfinder Society is impressed with your discoveries in Tian Xia. Once you earn 12 or more Fame, your superiors award you one additional Prestige Point (but not Fame) in recognition of your excellence. You cannot have more Prestige Points than Fame, and if you would exceed this maximum, the bonus Prestige Point must be spent immediately or be lost. When you use this boon, cross it off your Chronicle sheet.

**Legacy of a Princess:** You have discovered the lost Summer Palace and interacted with the phantom of Song Rui, one of the last princesses of Imperial Lung Wa. You may call upon Song Rui's dedication as a swift action that lasts for 1 minute. During this time, the first time you hit a creature with a melee attack each round, you gain a +2 bonus to your AC against that creature until the beginning of your next turn. When you use this boon, cross it off your Chronicle sheet.

**Sun Shogun Talismans:** Your return of the sovereign dragon scroll case to Shokuro has impressed the Sun Shogun, and he makes available to you certain magical talismans normally available only to his trusted agents. You may purchase a *talisman of freedom*<sup>OA</sup> (900 gp), *talisman of good fortune*<sup>OA</sup> (1,680 gp), or *talisman of warrior's courage*<sup>OA</sup> (450 gp). When you purchase a talisman in this way, note that it is a Sun Shogun talisman and mark off one box. Sun Shogun talismans function as normal except that you may, as an immediate action, prevent a talisman from activating when it would otherwise do so, allowing you to save its magic for later. When you have purchased a total of 3 Sun Shogun talismans of any type, cross this boon off your Chronicle sheet.
